Additional instructions for mailing your package

- Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
- Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take this package to a UPS location. To find your closest UPS location, visit the UPS [Drop Off Locator](#) or go to [www.ups.com](#).
- To ensure safe transportation, the battery must be returned inside the product.
